LOOKING FOR WAYS TO LESSEN YOUR CARBON FOOTPRINT?

Come visit the 2011 Green Expo July 22nd and 23rd. This third annual Expo showcases a "Living in the Country" section and vendors offering **Green Products** for more environmentally-friendly living.

Kids will enjoy the farm animals, face painting, craft centre and juggling act!

Workshops on water quality, invasive and indigenous species and alternative energy products will be running Friday from 3-5pm and Saturday from 11:30-3pm. Back again this year is Chef Emerie from Bernardin teaching how to preserve your locally grown produce—registration is limited!

Don't forget the Farmer's Market and Local Meal! Last year over 30 exhibitors and 1200 patrons attended this two day event!
