

Northumberland 2012 Tree and Shrub Planting Program

Are you a landowner interested in planting trees on your property? The Northumberland Stewardship Council has an annual bulk tree seedling order of 100,000+ trees. These trees are available to landowners for reforestation purposes, on a first-come, first served basis. Trucking and cold storage are provided by Northumberland Stewardship. Northumberland Stewardship Council is committed to helping landowners access reasonably priced reforestation stock by promoting tree planting in Northumberland County.

Species

CONIFERS

White, Red Pine
White, Norway Spruce

White Cedar
European Larch

HARDWOODS

Red Oak
Red, Silver & Sugar
Maple
Carolina Poplar
Bitternut Hickory
Butternut
Black Walnut

WILDLIFE SHRUBS

Highbush Cranberry
Red-Osier Dogwood

Serviceberry

Prices

- Conifers: White Spruce, Norway Spruce & Red Pine \$0.43 per tree
- Conifers: White Pine \$0.46
- Conifers: European Larch \$0.61
- Conifers: White Cedar \$0.56

- Hardwoods: Red Oak \$0.81
- Hardwoods: Silver Maple \$0.61
- Hardwoods: Hybrid Poplar \$0.76
- Hardwoods: Bitternut Hickory, Red Maple, Sugar Maple \$0.91
- Hardwoods: Butternut, Black Walnut \$0.86

- Wildlife Shrubs: R.O. Dogwood \$0.71
- Wildlife Shrubs: Am. Highbush Cranberry, Serviceberry \$0.91

Ordering Information (Please order early!)

- Seedlings are available for Spring planting only;
- Estimated tree arrival is between April 25 and May 10, 2012;
- Tree orders are in multiples of 50 trees for each species;
- The minimum tree order is 100 trees - there is no maximum tree order;

Funding Assistance for Tree Planting

There are a number of funding programs to assist landowners with the cost of tree planting.

Trees Ontario Foundation (TOF)

TOF provides funding to encourage landowners to carry out tree planting projects. Direct assistance is provided through their **50 Million Tree Program (\$1.25 Program)**. This program provides funding assistance for approved planting plan, site preparation, tree cost, planting and tending costs. Landowner pays \$ 0.15/ tree and, the program pays the rest (max. \$1.25/ tree). Minimum of 5 acres required and the landowner signs a 15 year management agreement.

Contact: Derrick Luetchford, Trees Ontario Planting Rep. for Northumberland at (705) 755-3298 or visit the Trees Ontario website: www.treesontario.on.ca

Community Stream Steward Program

This Program is supported by the Ontario Federation of Anglers & Hunters, local Stewardship Councils and other conservation partners. They provide assistance to landowners planting along stream banks to protect and improve water quality.

Contact: Andrea Hicks at 705-748-6324 and/or visit www.ofah.org/streams

Environmental Farm Plan

Funding provided to agricultural producers for environmental projects. Funding level is approximately 50% of the direct costs.

Contact: Robert Glover, Northumberland EFP Coordinator at (905) 924-2620. Additional info under "programs" at www.ontariosoilcrop.org

Mechanical Tree Planter Rental

A mechanical tree planter rental program is available from the Northumberland Stewardship Council to assist landowners with the planting of reforestation stock. The planter attaches to the back of a landowner's farm tractor and is easy to set up. COST: rental is \$50.00 per day (production can vary: 2,500 to 4,000 trees/day)
